Academic Integrity

Academic integrity is taking responsibility for the quality and completion of one's own work. Academic dishonesty is taking someone else's work and claiming it as one's own. Students at Bel Air High School are responsible for knowing what is considered to be Academic Dishonesty and the subsequent consequences. Cheating, including turning in someone's work or thoughts as your own or copying or using unauthorized materials during a text/quiz, will result in **BOTH** students receiving a zero.

Plagiarism is taking ideas and writings of another and passing them off as one's own. In a class, this includes: failing to cite a source and copying and pasting an **author's exact word** and passing them off as your own. **Students caught plagiarizing will receive a ZERO for that assignment.** More information can be found in the BAHS Student Planner.
